Login

Do you know?

You can create account here in the app for easier access to features!

With the account, you -

- * won't need to remember consumer number/ BU combination everytime
- * can get your multiple power connections organized into just one account
- * can register power-related complaints and view their resolution status
- * can use new features that we are planning to add in this app in future

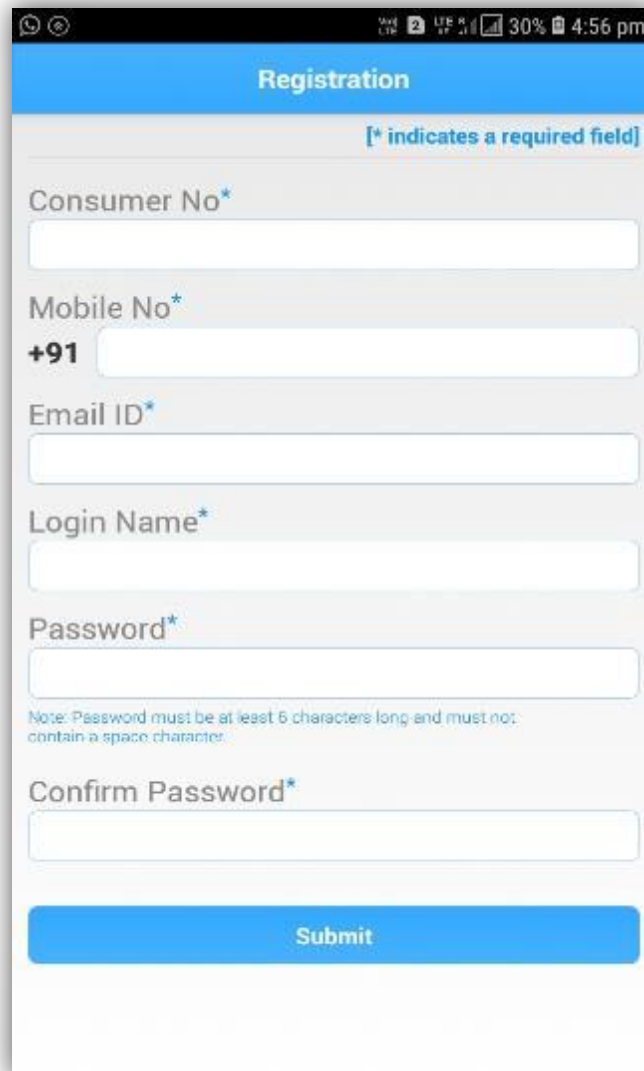

You can use this created account at www.mahadiscom.in too! Creating account will not take more than 50 seconds !!

REGISTRATION FORM

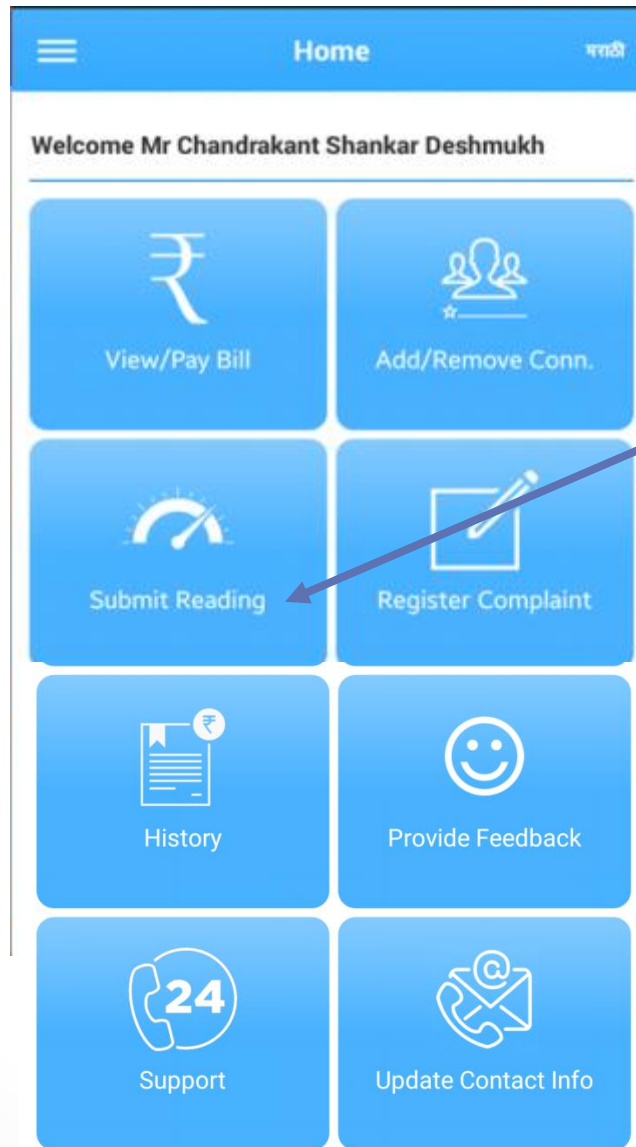

The image shows a mobile application registration form. At the top, there is a blue header with the word "Registration" in white. Below the header, a status bar shows the time as 4:56 pm and battery at 30%. A note in blue text says "[* indicates a required field]". The form contains several input fields: "Consumer No*", "Mobile No*" (with a "+91" prefix), "Email ID*", "Login Name*", "Password*", and "Confirm Password*". A note below the password field states: "Note: Password must be at least 6 characters long and must not contain a space character." At the bottom of the form is a blue "Submit" button.

Please enter required information and click on **Submit** button

Submit Meter Reading

The screenshot shows a mobile application interface for submitting a meter reading. At the top, there is a blue header bar with a back arrow on the left, the title "Meter Reading Submission" in the center, and a help icon (a question mark in a circle) on the right. Below the header, a note in blue text states "[* indicates Compulsary fields]". The form contains several fields: "Consumer Number" with the value "160220966523", "Billing Unit" with "4598", "Meter No." with "071-02997427", and "Meter Reading Date" with "23-Mar-2020". A horizontal line separates this information from the input section. The "Meter Reading*" field is a large, empty white text box with a light blue border. Below it, the "Meter Photo*" section features a large white square area with a blue button in the center that says "Press to capture photo". At the bottom of the form is a wide blue button labeled "Submit reading".

Consumer may submit Self Reading
