No 19687

Date: 26 JUL 2022

To,
The Chief Engineer,
All O&M Zones, MSEDCL.

Sub: Providing 08 hours daytime 3-phase power supply to Ag consumers connected on AGLM feeders of substations where solar power projects of capacity 2 to 10 MW are connected and commissioned under “Mukhyamantri Sour Krishi Vahini Yojana (MSKVY)”.

9. Mukhyamantri Sour Krishi Vahini Yojana (vide G.R dated 14.06.2017 & 17.03.2018).	

....

Presently, as per Hon'ble MERC order dated 19.07.2018, vide circular under **ref. (6)** and letters under **ref. (2-5)**, from dt.02.10.2020 onwards, the 3-phase power supply availability has been given for 8 hrs during day time on Solarized AgLM feeders in the state where solar power projects of capacity 2 to 10 MW are connected and commissioned under “Mukhyamantri Sour Krishi Vahini Yojana” subject to the following main conditions mentioned in the circular under **ref.(6)**:

- 1) It will be ensured that at least 80% of Ag consumers who are connected on such Ag LM feeders pay their current energy bill by due date,
- 2) If current energy bills are not paid within due date, then the standard AGLM protocol of 8hrs/10(or 8) hrs of 3-phase power supply during day/night time on rotational basis will be implemented,
- 3) And the daytime power supply will be restored only after payment of at least 80% Ag consumer's current bill.

However, as per the directives by the competent authority vide remarks/comments given on approved note under **ref.no.(1)**, it is instructed to provide day time power supply here onwards to all Solarised Ag feeders in the state until further instructions, as per the respective 3-phase power availability time schedules issued earlier vide circular under **ref.(6)** and letters under **ref. (2-5)**. However, the Competent Authority has directed to make every possible effort to improve the collection efficiency of all solarized Ag feeders being provided with daytime power supply.

Now, the Chief Engineer (RE) has reported 27 nos. of new Solar Power Projects commissioned under MSKVY out of which 1 no. in Beed district, 04 nos. in Latur district, 02 nos. each in Osmanabad, Ahmednagar, Aurangabad, Hingoli & Dhule districts and 06 nos. each in Solapur and Parbhani districts. Accordingly, list of these 27 nos. of new SPPs with their associated MSEDCL

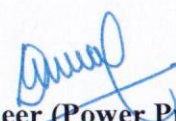

substations and respective Ag outgoing feeders with allotted 3-phase power availability time schedule is prepared and attached herewith as **Annexure-A** for the implementation.

The 3-phase power availability time schedule for these Ag LM scheme feeders will be implemented **with effect from 00:00 Hrs of 28.07.2022.**

The feeder wise compliance of arrears recovery shall be reported for monitoring purpose to the **“Special Team-B”** which has been formed at head office for implementation of **Govt. Ag Policy-2020** and assigned exclusive task of **“Ag arrears recovery through special recovery scheme”**.

The instructions shall be followed scrupulously.

Encl. As above.
