CIRCULAR

Sub:- Amendment in guidelines for infrastructure development for release of new connections/enhancement of load.

Ref.:- Circular No. ED(Dist-II)/M-I/NSC-Guidelines/35530 dated 14.11.2024.

With reference to the above subject, guidelines for infrastructure development for release of new connections/enhancement of load are issued vide reference letter under reference. The norm for determination of commercial load with air conditioning based on carpet area-minimum 200 W/Sq. Mtr. has been provided at Clause No. (C)(1) of the above circular.

In this regards, it is hereby clarified that the term "*commercial with air conditioning*" shall be read as "*commercial with central air conditioning*" in the above mentioned guidelines.

The other conditions of circular shall remain same.

The above circular shall come into force with immediate effect.

The above circular shall be available at website www.mahadiscom.in.

(Ankur Kawale)
Chief Engineer (Distribution)
