Addendum- 6

Dated. 10.08.2026

(RfS No. MSEDCL/BESS/Phase-2/26-27/001/dated 30/06/2026)
Revised RFS Version 2 dated 31.07.2026

With reference to the above RfS, the responses to the pre-bid queries have been issued vide Addendum-5, dated 07.08.2026. However, the query regarding financial qualification is now being addressed through this Addendum-6.

Accordingly, the clarification in respect of the pre-bid query is provided below:

Document	Clause No.	Existing Clause	Proposed Modification /Bidder's Query	MSEDCL Reply
RfS version 2	General Queries	Financial Qualification	As on the bid submission date, our Financial Year 2025-26 financial statements are under audit and the statutory audit has not yet been completed. We request MSEDCL to kindly allow submission of the provisional Balance Sheet and Profit & Loss Statement for FY 2025-26, duly certified by our Chartered Accountant, for the purpose of meeting the financial qualification requirements. The audited financial statements will be submitted upon completion of the statutory audit, if required.	In the event that the statutory audit is not completed for FY 2025-26, bidders may submit provisional financial statements for FY 2025-26 along with the audited statement of the previous financial year i.e for FY 2024-25. For tender evaluation, the lower value between the provisional and audited financial statements will be considered. The final statutory audited statement for FY 2025-26 must be submitted prior to the signing of BESPA.

This Addendum shall form an integral part of the bidding documents. All other terms and conditions of the RfS Version 2, including earlier Addendum/Corrigendum, shall remain unchanged.

Prospective Bidders are requested to take note of the above clarification while preparing and submitting their bids.

The Bidders are requested to visit the websites of the Bharat E-Portal (<https://www.bharat-electronictender.com>) and the Maharashtra State Electricity Distribution Company Limited (www.mahadiscom.in) for the above and any further updates.
