6) CE (Projects)/Tech Debar-Blacklist Policy/ no. 24055 dtd.15.09.2022.
7) Approval of CA dtd.06.09.2026. vide ON no. F-2026010574/2026

Dear Sir,

With reference to above subject, it is to inform that, vendor approval was given to your firm for supply of 11kV, 25 kVA, 63 kVA, 100 kVA & 200 kVA three phase Distribution Transformers vide letter under reference no. (1). The vendor approval was granted on 13.01.2026 and its validity was up to expiry of type test report (up to 06.12.2030 for 25, 63 & 100 kVA and up to 13.01.2028 for 200 kVA). The said vendor approval is given for supply of energy efficient Level-II type of Distribution Transformers.

However, during inspection of Distribution transformer at site by Executive Engineer, Testing, Division, Kolhapur and Executive Engineer, Testing Division, Sangli, several technical non-compliance and quality deficiencies observed and same was reported vide reference (2) & (3).

The critical safety and technical deficiencies such as missing lightning arrestors (LA), missing/inadequate earthing lugs/strips, missing name plate, body seals and sealing provision, absence of anti-theft nuts/bolts and embossed serial numbers on the transformer body, missing QR code sticker, energy efficiency level rating label and without 3 levels oil level indicator. Further, during inspection it is observed that vendor approval was granted for energy efficient Level-II type of Distribution Transformers and your firm has supplied derated (high loss) transformer below the range of conventional transformer. Both these reports clearly indicate that your firm does not comply with the approved MSIEDCL technical specifications and the applicable Indian Standards.

In this regard, a show cause notice for debarring was served to your firm vide letter under reference (4) dtd.08.07.2026; "The reply received in the matter from you vide reference (5) dtd.22.07.2026 is carefully reviewed by Competent Authority & the same is found unsatisfactory".

It is clear from your firms representation that you have not supplied the Distribution Transformers as per technical specifications. Hence it is to inform you that as per MSEDCL debar policy **your vendor approvals issued for supply of various ratings/voltage levels of Distribution Transformer are hereby cancelled with immediate effect and your firm is debarred from dealing business with MSEDCL for a period of three years from the date of issue of this letter.**

The material supply/purchase process if initiated in respect of MSEDCL is hereby terminated with immediate effect. Please note that MSEDCL is not bound to bear any financial losses accounted on your side due to debarring.

Thanking you,

Yours Faithfully,

Dr. Manish Wath
Chief Engineer (Testing)
MSEDCL, Mumbai
