Dear Sir,

This office had issued a Show Cause Notice to your firm vide reference (7) highlighting severe irregularities and fraudulent practices observed in your operations. It was established that your agency maliciously modified and forged the official vendor approval document, illegitimately altered the energy efficiency level from EEL-2 to EEL-1, fraudulently extended the validity up to 17.10.2026, and manipulated the dates of CPRI Type Test Reports.

Furthermore, in direct contravention of the strict terms of your vendor approval extension (Reference 3), your agency supplied 100 kVA transformers to consumers under the DPDC ND/SI Scheme, instead of the exclusively approved RDSS projects. These actions constituted gross misconduct, criminal forgery, and a deliberate breach of MSEDCL's technical and administrative protocols.

In response, your firm submitted a reply vide reference (8) wherein you acknowledged the discrepancies and you attributed the submission of forged documents to an unintentional management error and requested forgiveness.

The competent authority has carefully reviewed your reply and found it unsatisfactory. The systematic and precise manipulation of technical specifications, dates, and test reports cannot be construed as a mere inadvertent error. It demonstrates a deliberate intent to bypass the established quality control frameworks of MSEDCL.

Therefore, in view of the gross misconduct and breach of trust, the competent authority has decided to take the following actions against your firm:

- 1) Cancellation of all vendor approvals for supply of distribution transformers with immediate effect.**
- 2) Debar the agency (M/s. Siddhanagesh Electricals Works) for one and half years from the date of issue of this letter as per the debar policy of MSEDCL.**

During this debarment period, your firm shall not be eligible to participate in any future MSEDCL tenders, nor shall any materials be accepted from your firm under any schemes.

This order is issued without prejudice to any other legal or administrative actions that MSEDCL may initiate against your firm under applicable laws and regulations.

Thanking you.

Yours Faithfully,

Dr.M.G.Wath
